Organic Grain Commodities

GROWN USING
NATURAL AND
EARTH-FRIENDLY
METHODS

SOURCE
OF FIBER

SOURCE OF
PROTEIN

Organic for you
Sustainable for the planet

www.augaorganics.com

Sourced strictly from **AUGA** farms

AUGA organic grains are grown free from chemical fertilizers, herbicides, pesticides or other harmful chemicals.

We use modern organic farming equipment for soil cultivation, sowing, weeding and harvesting, without depleting the soil.

We use organic fertilizers collected from our organic livestock farms.
